

To all our valued friends and customers,

We have been very fortunate to have you as our customers for the past 37 years and are truly looking forward to sharing our beautiful flowers with you again this season.

Moving forward into the 2021 season, we at Fairview Farms will be implementing the following COVID-19 safety guidelines, as recommended by the CDC and Massachusetts Department of Public Health, in an effort to protect both our customers and employees:

- 1.) A minimum of 6' social distancing shall be maintained at all times.
- 2.) A face mask, covering both nose and mouth, must be worn at all times*.
- 3.) Please sanitize your hands upon entering the main greenhouse*.
- 4.) Customers will be limited to:
 - a.) 15 people at a time within the large greenhouse
 - b.) 3 people at a time within the small greenhouses
- 5.) To avoid handling coins, all sales after tax will be rounded to the nearest dollar.

*Note: A station for face masks and hand sanitizer will be available outside of the big greenhouse.

We look forward to seeing you in the greenhouses for the opening of the spring season, starting Monday, April 26th, open 7 days a week, from 9:00 AM to 3:00 PM, weather permitting.

Stay safe,
The Sanderson Family
